## Celebrating Success

The trips to the Nene have been a great success. A lot of fun was had by all preparing for the White-Water trip to Wales and working on their white-water skills.

*"An excellent meet for the SCC crew who visited the Nene yesterday! Some lovely ferry gliding, fun and frolics on a course that seemed free of most other paddlers! Thank you to Jon for arranging and Gary and Jon for supporting new members to the white-water team and old ones who needed some practice after a long year away (nice to paddle an OC1 with another paddler as well - much fun Jon!)."* Written by Kyrstie Hall
