AGM

It was lovely to see so many of you at the AGM over the weekend and as you heard we have an exciting and action-packed year ahead. We want to thank all those that attended. The minutes will be available shortly.

Celebrating Success

The AGM provided us with an opportunity to celebrate success. It is the first time we have been able to do the awards since the pandemic and it was wonderful to see how much our paddlers have achieved in this time. This year we decided to present certificates as it gives a wider scope of the awards we can present and means that the recipients are able to hold on to them.

Left to right: John Bianchi, Carole Jarvis, Gill Hawkins and Bill Hawkins Club Activity Leaders, Clare Symes Sarah White Award, Steve Timms Ambassador, Ezra Juan Best Junior, Fred Welham Mike Dodd Award, Nikki and Jamie McGenn Nick Kempson Award (formerly Best Senior).

Photo Competition 2019

In 2019 as chairman Steve Timms introduced a photo competition, then the pandemic hit, and we were not able to see the results. A lot of hard work had gone into this including a slide show being put together by Trevor Green. All the entrants were shown to a local photographer as an independent judge. The top three were chosen.

S2C Training

After last year's great success Fred is back in training for Sudbury to the Sea, this time to raise money for the Eden Project. He is an inspiration to us all braving all weathers to train, well done to Nikki and Thelma for joining him on a cold icy river for training yesterday, I'm sure your support is greatly appreciated. For anyone wishing to donate please speak with Fred.
